

Conditions for participation

Seminar Language

German or English

Acceptance of Seminar Papers

The scientific advisory council decides if a paper is accepted for presentation at the seminar and about its classification under a subtitle.

Precondition is that the finished and layouted paper reaches the organizers before end of August 2020 (30.08.2020).

Andreas Pooch delivers feedback to the abstract – acceptance or rejection – latest October 15 2020 to the author.

Format of the Paper

The paper needs to be in PDF- or PowerPoint-format. The abstract should be either in WORD- or in TXT-format to send to info@ld-vlg.de oder vm9@velomobileseminars.online.

Required information: title, name of all authors with address and email, short bio of the author(s) with photo.

Copyright

By submitting an abstract/paper the authors guarantee that the copyright for text and pictures is owned by them. They also agree that the papers will be published in the proceedings of the seminar. There will be a publication on paper and electronically on <http://www.velomobileseminars.online/>.

If could be, but that is not yet guaranteed, that the presentations (upon approval by the author) will be published also in a YouTube channel earliest a week after the seminar.

Data Protection

Personal data about the authors will only be stored in the time window between submittal of the abstract and Nov 30 2020. After mid-November the data will be deleted. The only purpose of storing this kind of data is organization of the seminar.

Details about the Seminar

Details about the seminar (technical equipment, place, time, programme) will be published on the website to the seminar.
