

# summary...

# subjects...

...The 9<sup>th</sup> velomobile seminar since 1993 looks forward to your new scientific findings, your new technical idea or your point of view of the Velomobile, in technology, in use and in the future potential. Send an abstract about one of the mentioned subjects to the scientific advisory council.

....beside this there is to celebrate...40 years LEITRA

**A**

new scientific findings/descriptions regarding to

velomobil or

mobility by muscular strenght or

split muscular & electric drive

**B**

new technical product with

new form or geometry or

new extraordinary performance/function or

new more favourable production method or material

**C**

new kind of view...

economic or  
terms of traffic or

social or  
psychological

...onto the mobility via velomobiles

**D**

introduction of a vehicle....

which does not fit into categorie [A] to [C]

kind of presentation

oral or

poster

vehicle introduction

# Velomobil Seminar 9

**Which  
role  
could the  
Velomobile play  
for sustainable  
mobility?**

**01. & 02.09.2021  
in Brüssel**

**OR SEND A PHOTO OF THE FORM  
TO [VM9@VELOMOBILESEMINARS.ONLINE](mailto:VM9@VELOMOBILESEMINARS.ONLINE)**
